they might have roses in December.

Lots of people get credit for being cheerful
when they are just proud of their teeth.

reduces itself
to a mood
of the mind.

For a gust of wind
To blow another army of yourselves...

with me I always
feel I must be wrong.

without words ?

 Except memories and
 Yourself, who you once knew
 But you don't now

FREE TIPS FROM YOUR FRIENDS:

Music washes from the soul
the dust of everyday life.
- Berthold Auerbach

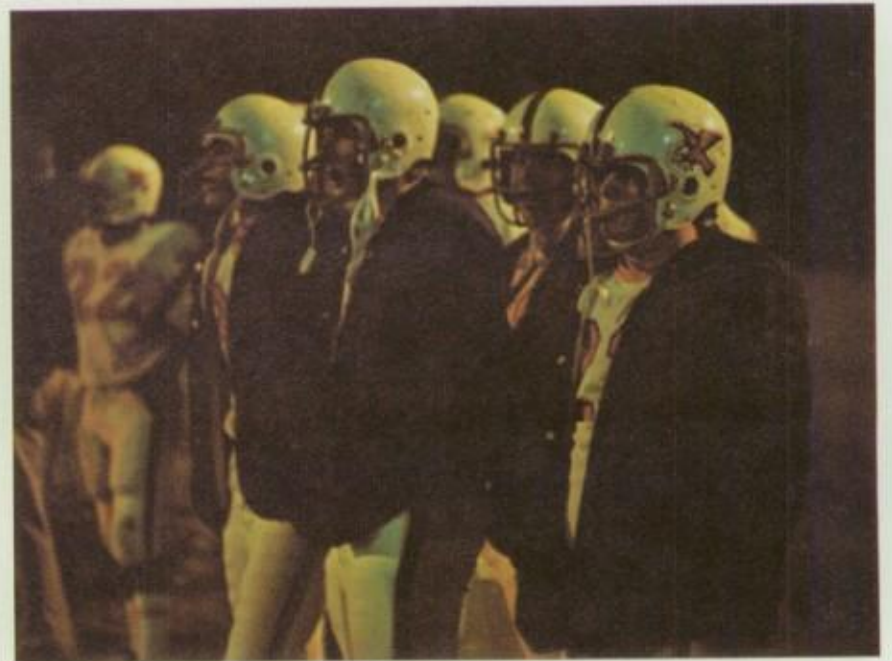

I hope someday someone
will learn
to breathe the parables
the wind breathes.
For he who, listening,
pauses on his quiet road
to hear the quiet complaints
of the lispig traveler,
And continues on his way
sharing its sorrows,
He shall know the secrets
of eternity

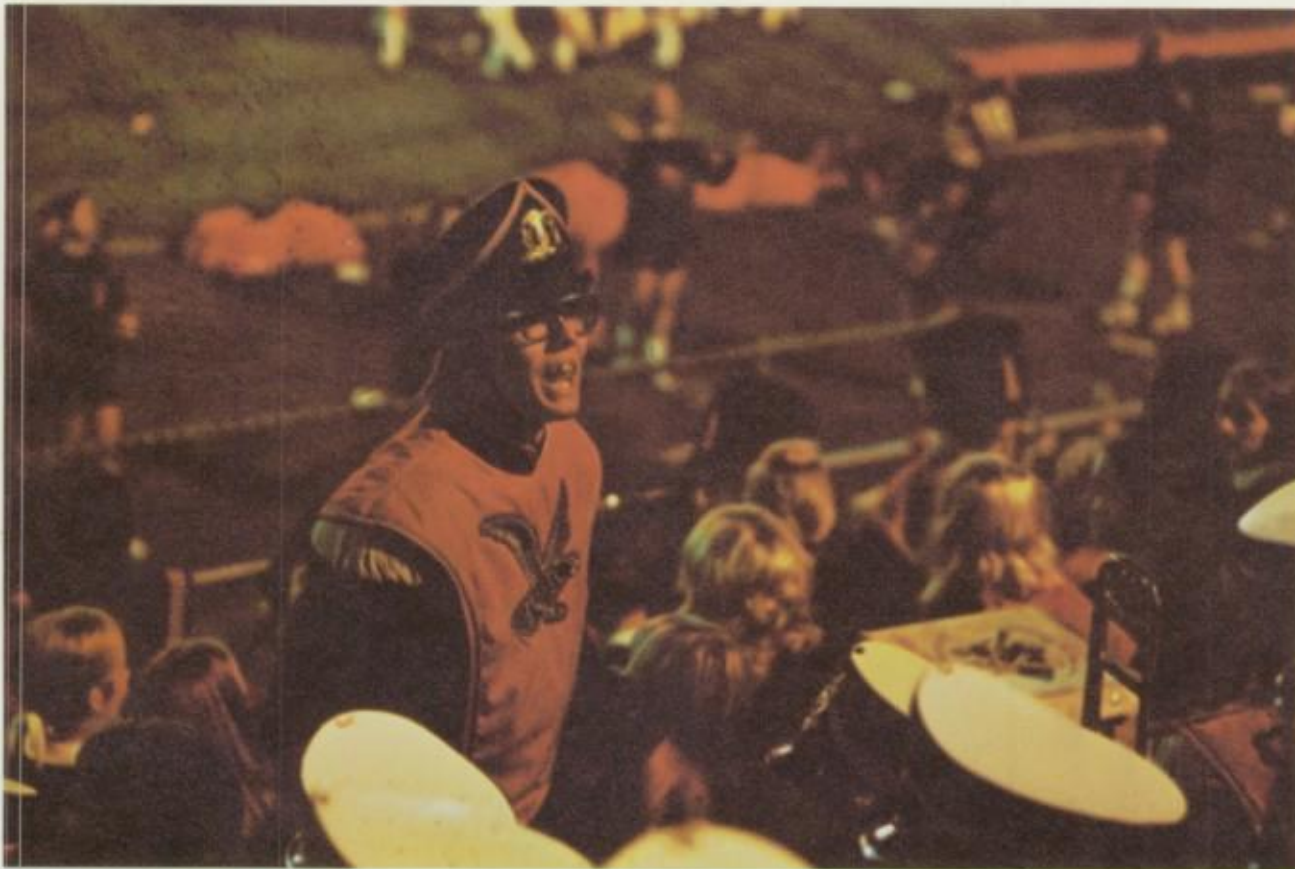

-Kelvin

I prefer the errors
of enthusiasm
to the indifference
of wisdom.
-Anatole France

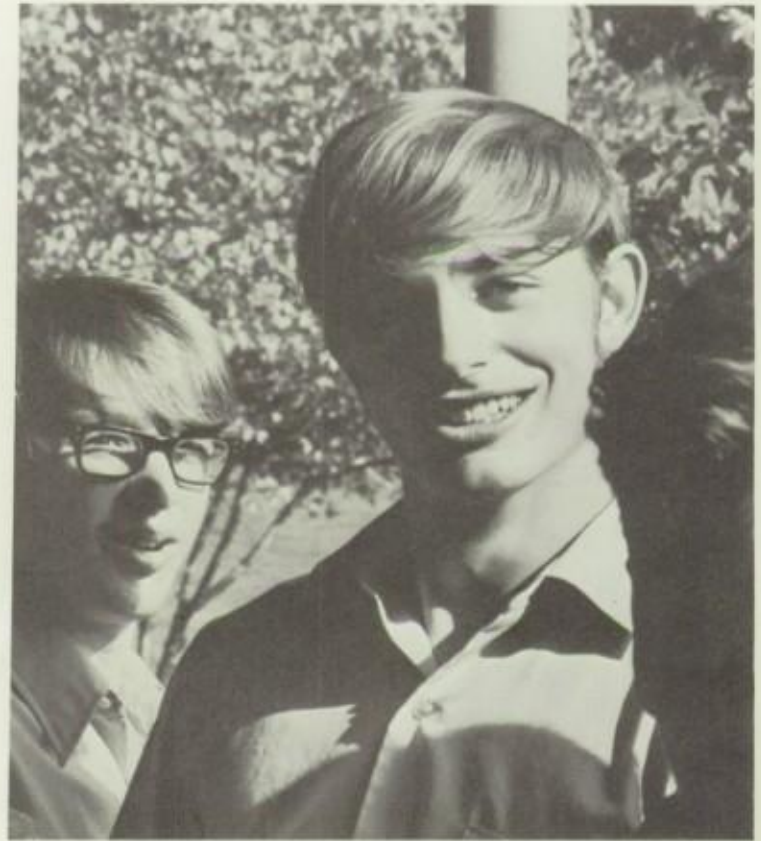

To be a good friend, it helps
to be a genius
-John F. Kennedy

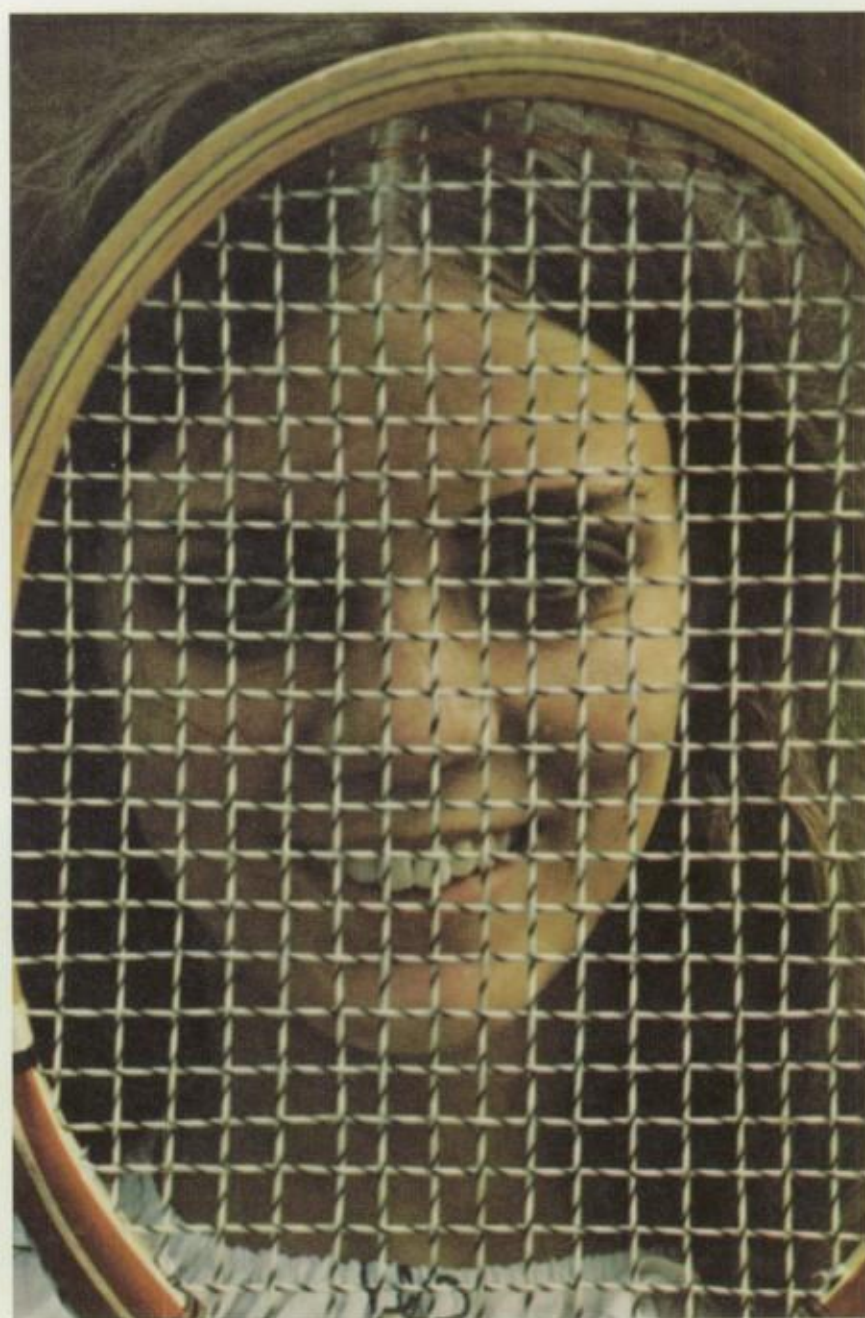

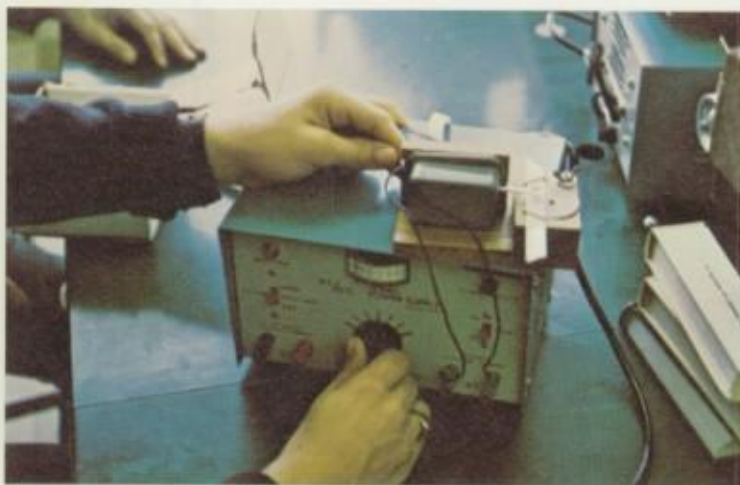

All we need to make
the day go better
is to remember our
friends, or maybe
one friend's face.
-B. L. Boles

A smile is the whisper of a laugh.
child's definition

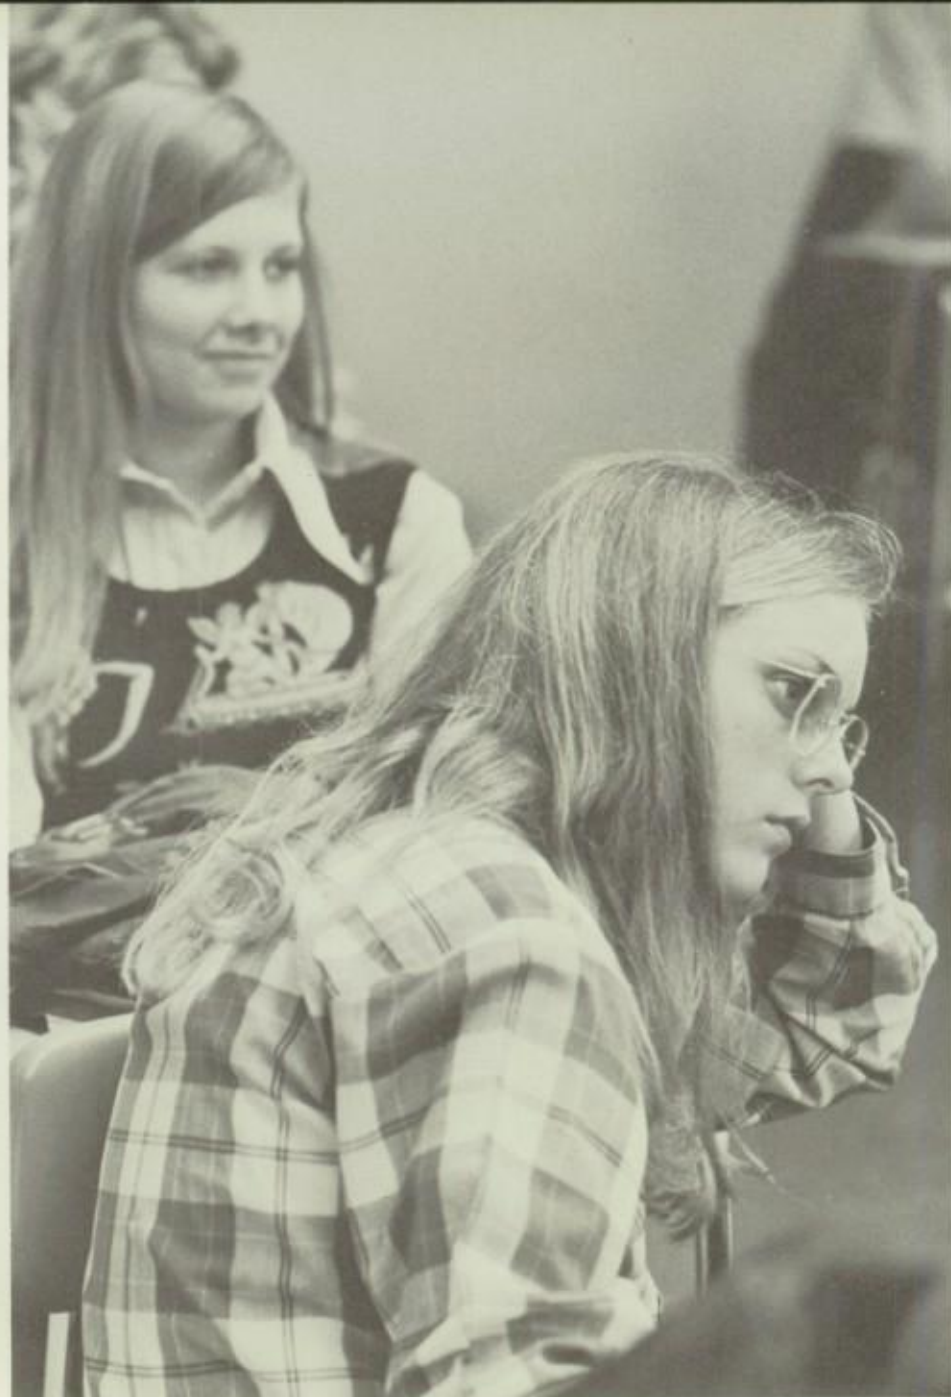

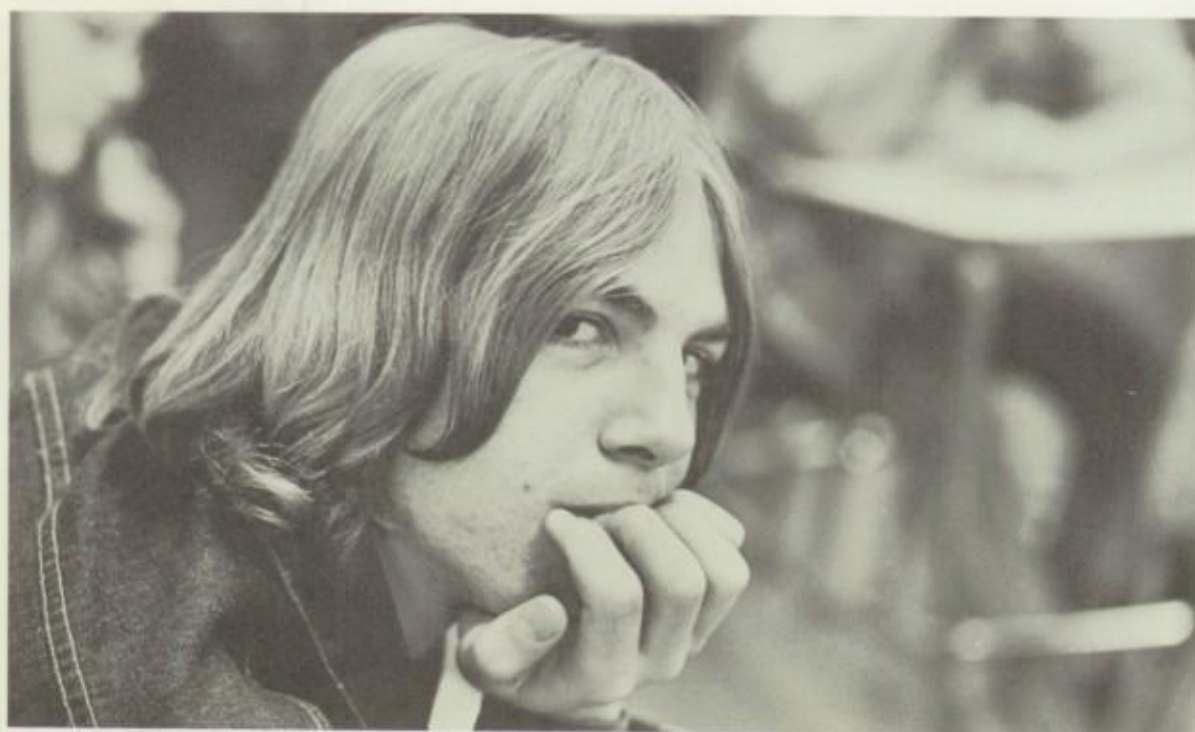

Tomorrow...
 We fear, though there is little
 to fear.
 Yesterday...
 We ponder, though there is
 little to remember.
 Today...
 We forget, though there is
 much to think about.
 Marg O'Toole

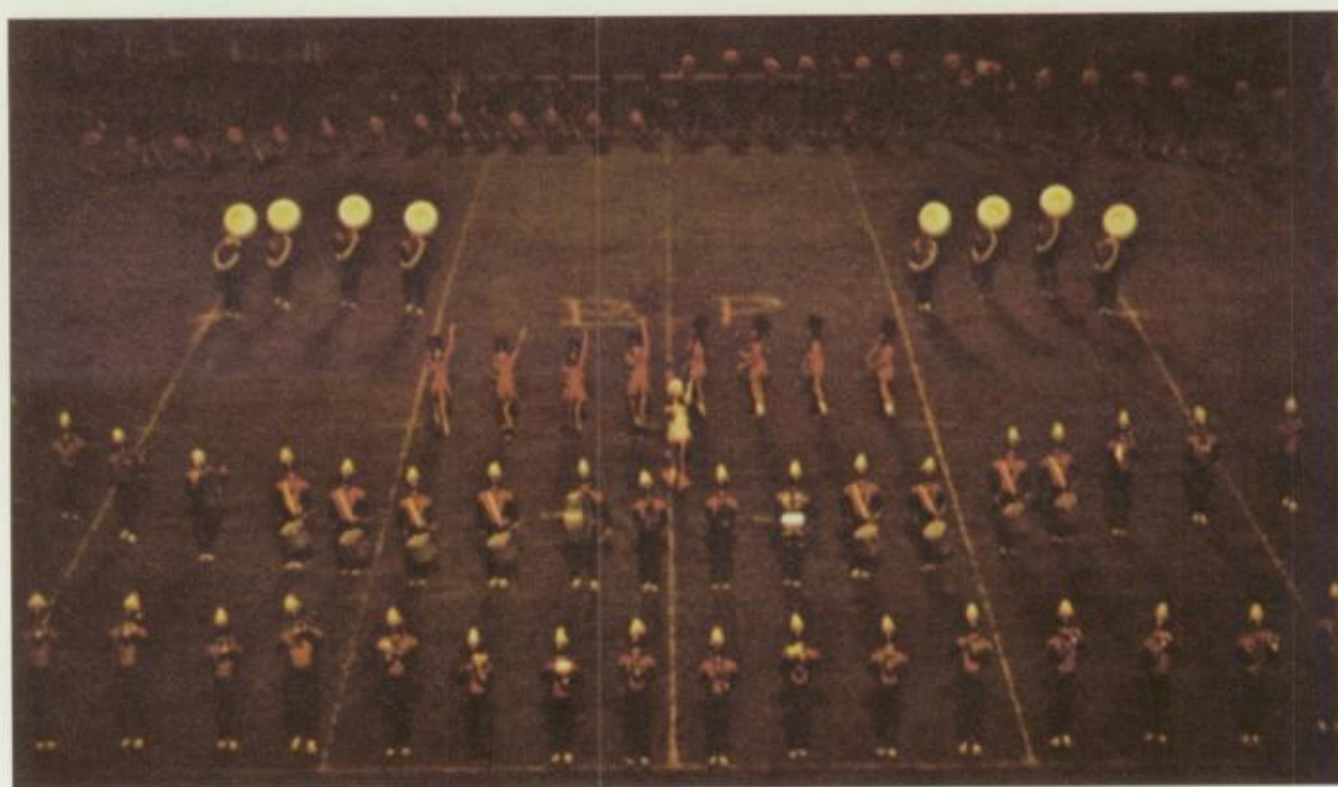

Faces are but a gallery
of pictures.
- Sir Francis Bacon

I grieve for
strangers
for all the carefully
neutral faces
Never to become
friends or
non-friends
but simply to remain
unknown ...
-Janet Dickey

You say what you mean
when you don't mean to
say it. -Karen Eicker

Somehow, someway, I've changed;
maybe matured into adulthood
maybe retreated to innocence.
And though some of my questions
remain unanswered
I am mildly content in my ignorance
-Claire McKee

Oh lost , oh gone
Look Homeward , Angel
